

THE UK'S LARGEST INDEPENDENT LIFT CONTROL PANEL MANUFACTURER

INDICATOR FACE PLATES

We stock a large range of indicator face plates to house our range of displays. Our face plates can either be flush or surface mounted. Where necessary they meet DDA* requirements. All indicator face plates come complete with gongs for DDA* compliance.

BESPOKE INDICATOR FACEPLATES

Face plates of any size and various different finishes can be manufactured to your specification on request. Please contact us for details of how we can best meet your client's needs.
