

**THE UK'S LARGEST
INDEPENDENT LIFT CONTROL
PANEL MANUFACTURER**

100% USER CONFIDENCE & SAFETY

Our new COVID-19 Feature Software is built to reliably support the social distancing transport needs of lift passengers and accurately control passenger flow in an occupied building.

COVID-19 FEATURE SOFTWARE ALMEGA I AND II

COVID-19 SOCIAL DISTANCING FEATURE SOFTWARE OPTIONS NOW AVAILABLE AT LESTER CONTROLS

As many re-opened buildings have transformed their safety procedures for visitors, our lift customers and their building partners can now access Lester Control's advanced COVID-19 Lift Control Feature Software.
